Why Using a PS5 Gift Card Is the Smarter Way to Game

PS5 gift cards are not just a convenient payment method — they also offer better budget control, eliminate the need to link payment cards, and are perfect for gifting or managing spending. You can also take advantage of regional discounts, bundle offers, and seasonal sales when making purchases with your PS5 gift card.

1. Marvel's Spider-Man 2

Price: Around $69.99

This sequel takes Peter Parker and Miles Morales on a new web-slinging adventure across New York City. With stunning graphics, enhanced combat mechanics, and a gripping storyline, this is a must-buy with your PS5 gift card in 2025. It's currently topping sales charts and receiving rave reviews from both fans and critics.

2. Final Fantasy XVI

Price: Around $69.99 (varies with region and discounts)

If you're into immersive RPGs, Final Fantasy XVI delivers everything you could want: a rich storyline, breathtaking visuals, and strategic combat. This game brings a mature, darker tone to the series and is a must-have for fans of fantasy adventures.

3. Hogwarts Legacy

Price: Around $59.99

Dive into the magical world of Harry Potter like never before. Set in the 1800s wizarding world, this open-world RPG lets you craft potions, tame magical beasts, and uncover dark secrets. Use your PS5 gift card to unlock this wizarding experience and enjoy hours of spellbinding gameplay.

4. Elden Ring

Price: Around $59.99, frequently on discount

Winner of multiple Game of the Year awards, Elden Ring is a challenging, rewarding, and artistically crafted open-world game. With your PS5 gift card, you can explore its vast lands filled with mystery, monsters, and masterfully designed boss fights. Ideal for players who love depth and exploration.

5. God of War: Ragnarök

Price: Around $49.99–$69.99

Following the critically acclaimed 2018 reboot, Ragnarök raises the stakes with intense narrative depth and refined combat. It's frequently offered at a discount, so your PS5 gift card can stretch further if timed during a PlayStation sale.

6. Call of Duty: Modern Warfare III

Price: Around $69.99

For multiplayer fans, COD: MW3 offers thrilling action, fast-paced gameplay, and a host of multiplayer modes. It’s a solid pick if you're looking to buy a game with high replay value using your PS5 gift card.

7. Cyberpunk 2077: Phantom Liberty (Expansion)

Price: Around $29.99

Already own Cyberpunk 2077? The Phantom Liberty expansion is a great way to continue the journey. With Idris Elba joining the cast, enhanced mechanics, and new areas to explore, it’s a smart purchase if you want new content without buying a full-price game.

8. Resident Evil 4 Remake

Price: Around $59.99

A brilliant reimagining of the classic horror game, Resident Evil 4 Remake combines nostalgic elements with modern graphics and gameplay. A perfect horror experience to buy with your PS5 gift card, especially during discount periods.

9. NBA 2K25

Price: Around $69.99 (Standard Edition)

Sports fans can’t miss out on NBA 2K25. With improved realism, MyCareer updates, and new game modes, this title offers fantastic value for those who love competitive gameplay and sports simulations.

10. Stray

Price: Around $29.99

Looking for something unique? Stray puts you in the paws of a stray cat navigating a cyberpunk world. Quirky, heartfelt, and beautifully designed — this indie gem is affordable and unforgettable, making it a smart pick when using your PS5 gift card.

Bonus Picks for Your PS5 Gift Card

Alan Wake 2 – For thriller lovers and narrative enthusiasts.

Assassin’s Creed Mirage – A back-to-basics stealth-focused adventure.

Street Fighter 6 – A must-have for competitive fighting game fans.

Tips for Maximizing Your PS5 Gift Card Value

Watch for Flash Sales: The PlayStation Store frequently offers discounts of up to 70%. Use these periods to stretch your PS5 gift card further.

Consider Digital Bundles: Many games offer Deluxe or Ultimate Editions bundled with DLCs or bonus content.

Use Remaining Balance for Add-ons or Indie Games: Leftover funds can be used for smaller titles, in-game currency, or cosmetic upgrades.
